TRANSIT

Everything you need to know about getting around the Wasatch Back.

Winter 2023-24

High Valley Transit rider's guide.

Welcome! We're so glad you're here.

High Valley Transit is the Wasatch Back's public transit network. We connect Wasatch, Salt Lake and Summit counties with several public transit modes all powered by technology.

Micro

Micro, short for microtransit, is an on-demand shared ride service running throughout the Snyderville Basin that allows you to book rides minutes before you travel. It works like a minibus that comes to you — book your ride in the HVT app and one of our custom branded vans will come right to you to pick you up.

Fixed route buses

These are public transit buses that run throughout the region. Four run all day with wait times typically 15 minutes and three connect to the Basin with limited trips and stops.

Use the High Valley Transit mobile app to make the most of your time here.

If you're looking for the fastest, easiest way to get where you're going, we've got you covered.

The HVT app lets you:

- ✓ Plan your entire trip from start to finish — input your pickup and dropoff addresses and the app will tell you the fastest way to get where you're going (bus, Micro, or both).
- ✓ Get detailed instructions on how to get to a bus stop.
- ✓ View the real time location of your HVT bus as it approaches.

Download the **High Valley Transit** app
or call (435) 246-1538 to get started.
